

MARKET SOUNDING
PROCUREMENT OF APLIKASI E-TICKETING DAN PROBLEM SOLVING

Nomor : 065/1157/TEI/TPTT/PGMN

PT Bank Pembangunan Daerah Jawa Timur, Tbk (Bank Jatim), through its Information Technology Division, will conduct a market sounding activity for the procurement of an E-Ticketing and Problem-Solving Application. This initiative refers to the Board of Directors' Decree No. 060/03/34/DIR/UMM/KEP dated October 4, 2021, concerning the Guidelines for the Procurement of Goods/Services at Bank Jatim, as well as other applicable regulations.

In relation to this, prospective vendors interested in participating in the market sounding and subsequent procurement process are advised to note the following:

1. Information regarding application requirements and participant qualifications can be accessed via the following link: <https://tinyurl.com/Doc-MarketSounding>;
2. Vendors wishing to join the market sounding may register their participation through <https://tinyurl.com/Reg-MarketSounding> no later than **July 16, 2026, at 16:00 WIB**;
3. Registered participants will be invited to attend an online Q&A session on **July 17, 2026** (link to follow).
